**EXPERIENCE**

**FUN WITH GLASS**

**ADD GLASSMAKING TO YOUR VISIT**

The Corning Museum of Glass offers hands-on glassmaking for groups!

Professional glassmakers will guide your group through an interactive workshop of your choice.

All activities are for groups of 10 or more people, and can be customized in advance by our professional staff according to the size of the group, ages of participants, and length of visit.

All Fun with Glass experiences must be reserved with a minimum notice of one-month and are based on Studio availability. Final counts are due two weeks prior to your visit.

PLANNING YOUR VISIT

• Enhance your group visit with a Fun With Glass experience and create a personalized souvenir.

• Work with a glass artist to sandblast a design onto glass, fuse a colorful object, blow a glass ornament, or create a combination of activities.

• Timing is crucial. Group leaders are asked to have the group report 10 minutes prior to their appointment time. A late arrival may result in a cancellation.

• Group cancellations are accepted up to two weeks before the event. Events not cancelled two weeks prior or “no shows” will be charged in full.
